Unger & Associates, PC invites you to attend our annual*

NOT-FOR-PROFIT LEADERSHIP EDUCATIONAL EVENT

Financial Reporting | HIRE Act | IRS Update

May 26th, 2010, 8:00am – 11:30am
Hilton Garden Inn, 5800 College Boulevard, Overland Park, KS

Leading this timely event will be nationally recognized speaker and not-for-profit services specialist Paul H. Koehler, CPA. Recent heightened awareness of the accounting practices of many high profile organizations has led to intensified scrutiny of financial reporting in all sectors. Using examples provided by participants*, Paul will demystify transactional translations and illustrate how the essentials of effective financial reporting are frequently overlooked. Key topics will include:

- Basic NPO transaction types
- Accounting for contributions
- Functional expenses
- Avoiding common problems

The 2010 Hiring Incentives to Restore Employment Act (HIRE) can have a significant impact on your staffing. John Ritter, Society for Human Resource Management Johnson County (SHRMJC) Chapter President, will discuss the importance of the HIRE Act and how it can help your organization.

The morning will conclude with a discussion of the increasing IRS focus on not-for-profits.

Space is limited. To reserve your seat call or email:
